

**NATIONAL BOARD OF EXAMINATIONS  
NEW DELHI**

Date: 04.10.2019

Subject: **Alignment of Accreditation Period of NBE Accredited Hospitals**

- The admission to DNB Board Specialty courses is undertaken in the January admission session annually and admission to DNB Super Specialty and Fellowship courses is undertaken in July admission session annually.
- NBE has aligned the accreditation period of accredited hospitals accordingly. Hospitals accredited /applying for Broad Specialty courses have their accreditation for five years from January of the 1<sup>st</sup> year till December of the 5<sup>th</sup> year (for e.g. January 2019 – December 2023).
- Similarly, hospitals accredited /applying for Super Specialty courses and Fellowship courses have their accreditation for five years from July of the 1<sup>st</sup> year till June of the 5<sup>th</sup> year (for e.g. July 2019 – June 2024).
- Some hospitals have their accreditation in Broad Specialty courses ending in June 2019. Such hospitals are hereby informed that if they have applied for renewal of accreditation, the same shall be granted from January 2020 till December 2024 subject to fulfilment of minimum accreditation criteria. Likewise, hospitals with accreditation in Super Specialty and Fellowship courses ending in December 2019, shall be granted renewal of accreditation from July 2020 till June 2025.
- This shall align the accreditation cycle with the admission cycle.
