

NATIONAL BOARD OF EXAMINATIONS
New Delhi

Public Notice

Dated: 30.09.2019

Subject: **Submission of the Application for renewal of Accreditation**

- NBE accredited hospitals desirous of renewal of accreditation in the concerned specialty are required to submit online application through the Online Accreditation Application Portal (OAAP) at website www.natboard.edu.in
- The application for renewal of accreditation has to be submitted nine months prior to the expiry of the ongoing accreditation. This effectively means that for accreditation ending in December of a particular year, the online application has to be submitted in January application cycle of the same year. For accreditation ending in June of a particular year, the online application has to be submitted in July application cycle of the preceding year.

Accreditation ending in	Online Application for renewal to be submitted in
December 2020	January 2020
June 2021	July 2020

- Accredited hospitals are requested to adhere to the above time schedule in order to ensure continuity of the training programme (subject to fulfilment of minimum accreditation criteria).
- For any queries please write at accr@natboard.edu.in
